

Seah Chin Siong

CEO, IDA International

Mr Seah Chin Siong is the Chief Executive Officer of IDA International, a subsidiary of IDA (Infocomm Development Authority of Singapore). As CEO, he is responsible for crystallising IDA International's mission and vision which is to help public agencies deliver socio-economic outcomes enabled through public service infocomm.

Prior to joining IDA International, he was the Managing Director of Accenture's Public Service Operating Group for Asia-Pacific. He was also the Country Managing Director of Accenture Singapore.

During his career with Accenture, Mr Seah has had extensive experience in managing the planning, design and implementation of information systems for major organisations across various industries. In the last nine years, he has been involved in the implementation of large-scale mission-critical projects of several major client organisations within the Government and Communications industries.

His international experience includes work for global clients in Singapore and across Asia. He has also worked in the United States of America, Australia, the Philippines, Indonesia and Mauritius.

Mr Seah is a frequent invited speaker on the subject matter relating to eGovernment, eCommerce, emerging technologies and technology trends. He has presented at forums including COMDEX, Asia Business Forum, ITMA CIO Workshop, Institute of Management Consultants and the Nanyang Technological University. His articles have been published in major publications in Singapore.
